

UNION OF SCIENTISTS IN BULGARIA

INVITATION FOR A SCIENTIFIC CONFERENCE

The History Section at the USB organizes its third consecutive scientific conference. The theme for 2022 is: „Interpretation and re-interpretation of history“

The conference is open to historians, archaeologists, ethnologists, folklorists, culturologists, art historians, architectural historians, musicologists, cultural heritage conservationists and museologists.

It is expected to analyze cases and forms of historical interpretation and re-interpretation - both in terms of art theory and its concepts, and in connection with the performance of works of art and architecture.

Among the possible questions that the forum is looking for answers to are the following:

- Are there and what are the boundary stages and values in the assessments of cultural heritage and historical sites?
- To what extent are changes in the political and social situation reflected in the general understanding of value and in the promotion and development of works of art?
- Is it possible (and to what extent) to rethink and objectively evaluate significant for the regime and historical period artifacts and buildings.

IMPORTANT DATES:

The deadline for submitting applications is July 7, 2022.

Until 30.07.2022 you will receive information for participation in the conference and instructions for formatting the texts. Texts that do not meet the formatting and submission requirements will not be published.

Venue and date of the conference: Hall 19 of the Institute of Ethnology and Folklore with the Ethnographic Museum at the Bulgarian Academy of Sciences. Address: Sofia, 6A Moskovska Str. and via Skype for foreign participants.

The conference is scheduled for October 13, 2022.

The final texts of the articles should be submitted by November 7, 2022.

PUBLICATION OF THE REPORTS:

The materials will be published in the thematic edition "Diversity in Unity", a body of the "History" section of the Union of Scientists in Bulgaria. The publication is included in the NACID reference list. You can find the journal on the page of the Union of Scientists in Bulgaria <http://old.usb-bg.org/Bg/Istoria.htm> by choosing from sections, section History. There are issues from 2020-2021, as well as 2010, 2014.

The publication is peer-reviewed (double-blind peer-review).

MANNER OF PARTICIPATION:

UNION OF SCIENTISTS IN BULGARIA

To request your participation, please send a resume within 150-200 words to the specified email address: diversityintheunity.journal@gmail.com

In the resume indicate name, surname, e-mail address, scientific degree, title, institution. The summaries should include the main objective, methodology and results contained in the report. Also add five keywords other than the title.

FEES FOR PARTICIPATION IN THE CONFERENCE AND FOR PUBLICATION:

The fee for participation in the conference is EURO 100. It is paid after the acceptance of the materials.

The volume of the manuscripts should not exceed 20,000 characters, together with the accompanying abstracts in Bulgarian and English.

Each participant agrees to review two articles.
